Our Story

We're a family run business creating beautiful blankets, picnic rugs, home accessories and more, for some of the world's best loved brands.

Our team of expert weavers use natural fibres and techniques that have been used for generations to weave our soft tweeds, tartans and blanket materials.

Our in-house design team, pattern cutters & sewing machinists design, craft and create a range of products that are woven to last.

From recycling yarn, to weaving traditional tweed, all our products are produced using exceptional craftsmanship and skills.

Quality is woven into us
